

FOREWARN to Provide Identity Verification Services to Pacific West Association of REALTORS® to Promote Agent Safety

September 9, 2026

One of the largest local REALTOR® Associations in the state of California contracts to make FOREWARN services available for its 10,000+ real estate professional members to promote proactive agent safety

BOCA RATON, Fla., Sept. 09, 2026 (GLOBE NEWSWIRE) -- FOREWARN, LLC, a red violet company (NASDAQ: RDVT) and the leading provider of real-time information solutions for real estate agents, today announced that Pacific West Association of REALTORS® (PWR) will offer FOREWARN® services to its 10,000+ members throughout the State of California to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services offered by PWR are available to its members at no additional cost to individual agents.

"Agent safety shouldn't be a once-a-year conversation, but REALTOR® Safety Month gives us a natural moment to act on it," stated Derek Sprague, CEO of Pacific West Association of REALTORS®. "That's why we're thrilled to introduce FOREWARN as a new member benefit this September. While we set aside time each year to spotlight the importance of protecting our agents, the truth is that safety risks, along with the fraud that often accompanies them, show up every single day in the field. Giving our members instant, reliable identity verification means they can walk into any showing or meeting with a stranger, or vet an unfamiliar lead online, and know they've taken a real step toward protecting both their safety and their business. We're proud to make this essential tool part of how we support our members, not just this month, but all year long."

Existing PWR members will receive specific instructions on how to activate their FOREWARN subscription as an included benefit.
